"If any person or persons shall make any bet or wager upon the result of an election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the Commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 24 day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th and 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1856: AN ACT, Regulating the mode of voting at all elections, in the several counties of this Commonwealth.

Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections hereafter to be held in this commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot, or ballots.

YOU ALL

HAVE HEARD OF

HOOFLAND'S GERMAN BITTERS,

AND

HOOFLAND'S GERMAN TONIC.

Prepared by Dr. C. M. Jackson, Philadelphia.

Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS,

And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or any thing like one; but good, honest, reliable medicines. They are

The greatest known remedies for

Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,

and all Diseases arising from a Disordered Liver, stomach, or

IMPURITY OF THE BLOOD.

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate diseases of the Liver or Digestive Organs, combined with impure blood.

HOOFLAND'S GERMAN BITTERS

is entirely vegetable and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made, are gathered in Germany. All the medicinal virtueus are extracted from them by a scientific Chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

HOOFLAND'S GERMAN TONIC

is a combination of all the ingredients of the Bitters, with PURE Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in case where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY.

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These remedies are the best

Blood Purifiers

ever known and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no diseases will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything, you must try these preparations.

FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find that "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours Truly,
GEO. W. WOODWARD.

FROM HON. JAMES TAOMPSON.

Judge of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1866.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,
JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eigth, below Coates Street.

TAX-PAYERS, WE ARE COMING.

At my lonely bench I sit, wishing ever for the day,
When our troubles and our taxes will be o'er;
But it cheers my weary heart and makes me feel half gay.
Just to think that better times will come once more.

Chorus.

Tramp, tramp, tramp, the boys are marching;
Cheer up, tax-payers' they will come;
And green backs and good times are sure to you and me.
When the White House is our Seymour's home.

We have paid our own taxes, and we've paid the bond-lords' too,
But we've vowed we'll never do it any more;
And Grant and Colfax, too, spite of all that they can do,
Will go spinning to Salt River's briny shore.

They may think that we are bees, but they'll learn it by degrees,
That we'll toil not for the drones for evermore;
And the U. S. G. may look still more owlish, if he please,
But he'll find that all his prospects are a bore.

We are mighty in the faith that a better time will come—
When the Radicals are buried out of sight,
And our own beloved land will be the white man,s home,
When we've gained the stormy battle for the right.

Then, hurrah! my jolly boys, join the chorus, well you may,
From sea to sea our battle-cry has gone;
And our standard is surrounded by its thousands, and to-day
Many thousands more are gaily coming on.

From Maine to Oregon, from the Gulf to the Lake shore,
They have caught the cry that leads them to the fight,
And twice a million white men—ah! yes and millions more,
Are marshaled for the Victory and the Right.

A NUT FOR "IRISH REPUBLICANS."

Radical Estimate of the Irish People and the Catholic Church.

To the Editor of the Chicago Times:

On ordinary occasions the vagaries of the Chicago *Post* would hardly merit even passing notice. It has a penchant for squibs and a weakness for puns; but rarely, if ever, rises to the dignity of an argument

The article quoted below possesses significance only as it illustrates the genuine Radical animus toward the Irish and foreign element in this country. The editor of the *Post*, be it known, is Mr. Charles H. Ray, formerly principal editor of the Chicago Tribune, and recognized as one of the chief leaders of the party in Illinois. He was a member of the late Chicago Convention, and was potential in the councils of the Illinois delegation thereat.

I commend the editorial of the Post to the particular attention of the "Irish Republicans," and would especially remind the "eminent Irish orator," (so called,) John Pope Hodnett, to not fail in directing to it the attention of the Irishmen of the State, whose votes he is paid to secure, if possible, by his blarney, as an estimate of the regard in which the Irish people and Catholic Church are held by one of his out spoken Radical employers.

Nigger, Nigger, Nig!

From the Chicago Post, September 9.

"Do you want your daughter to marry a nigger?" was the question formerly asked of the electors of Illinois by every Democratic candidate on the stump.

"Nigger equality at the polls is the sign of nigger equality in the family," say all the Democratic orators of the day.

"Allow the nigger to vote, and you have both political and social equality everywhere," cry all the copperheads of the North.

What a lie these assertions are, one and all.

Political equality is one thing; social equality is another thing. Political equality is of the law; social equality is of the woman. The law says, come up; madam says, stand back!

Teddy O'Flaherty votes. He has not been in the country six months; but he has been through Dan O'Hara's court; he is naturalized. Terrence O'Manus swore for him that he had been five years in the United States; that he was a *jintleman* of good moral character, and Dan O'Hara knew that he was a Democrat. And so he was naturalized, of course.

He has hair on his teeth. He never knew an hour in civilized society. He never stepped on anything more solid than a dirt floor all his life, until he stood on the deck of an emigrant ship. He is a born savage—as brutal a ruffian as an untamed Indian of the North American tribes. Of course, he can't read, he can't write. All books to him are sealed. He only believes in the priest, and the priest is only little less a barbarian than he. "Be Jasus, I'm a Dimocrat!" is his shibboleth. Breaking heads for opinion's sake is his practice. The born criminal and pauper of the civilized world, and withal the innocent victim of the statecraft of England, and of the priestcraft of Rome; a wronged, abused, and pitiful spectacle of a man capable of better things pushed straight to hell by that abomination against common sense called the Catholic religion, and that outrage upon political decency falsely known as American Democracy—what else does he know? To compare him with an intelligent freedmen would be an insult to the latter.

Do American women run after Teddy O'Flaherty? Are they in haste to marry him? Oh, father of a beautiful daughter, are you afraid that she will break away from your love and kindness, and make Teddy a companion? Yet, how much less danger of her marrying a nigger! The black man, if he has been at all favored by the chances that slavery afforded, is the superior of Teddy in the things which women value; but his color is against him, and so Cuffee and Paddy are equal—the first having the most civilization, the latter being the whitest.

Now, marriage is not a thing of the law, save and except as the law directs how it shall be celebrated. If a decent woman wants to marry Teddy O'Flaherty, the law takes no cognizance of her low desire. If she wants to marry a nigger, the law is equally dumb. When, then, you can point out to us that the peace of Americans is in danger of destruction by the admixture of the O'Flaherty blood, we shall be ready to believe that it is in danger of deterioration by the admixture of nigger blood. Putting color aside, what is there to choose between Teddy and Cuffee?

The country has survived the Irish emigration—the worst with which any other country was ever afflicted. The Irish fiill our prisons, our poor houses, our reform schools, our hospitals, our eleemosynary and reformatory institutions of all sorts. Scratch a convict or a pauper, and the chances are that you tickle the skin of an Irish Catholic at the same time—an Irish Catholic made a criminal or a pauper by the priest and politician, who have deceived him and kept him in ignorance; in a word, a savage, as he was born. He has not, thus far, deteriorated the American blood. Why, then, fear that, with these obstacles of race and color in the way, the nigger will accomplish that in which the Irish have failed?

Bah! This appeal to the fear of the populace, that we must have a care lest this country, "like Mexico," be ruined by a mixed race, is only the gabble of rascals who want to perpetrate injustice under cover of a popular prejudice. Mexico was not so ruined either. The priests, bishops, monks, nuns, operating upon the Catholic laity, did the job for that unhappy Republic. Just as Catholicism, which is desoptism, goes out, Mexico rises.

The danger of miscegnation, white with black, is, then, as remote as that Teddy O'Flaherty will succeed in making his way by marriage into the American families by whom he is abhorred. We have been acquainted with Teddy a long time. He has dug numberless canals, made many railroads, fought many a fight, voted the Dimmecratic ticket, been in many a jail and pauperhouse, and he has all the while been priest-ridden. The fat, sleek, rosy gilled liars and scoundrels (consciously such) who have been about him have kept him in ignorance, robbed him of his peace, and give him, after many sprinklings of holy water, what they call passports to Heaven; but he is Teddy O'Flaherty yet; and if we were disposed to marry, there's Bridget—Bridget only. Miscegnation is not for him.

There is not a Democrat who would not boil over with rage if we should tell him that Cuffee could accomplish that in which Teddy failed. Let us dismiss, then, this question of the degeneration of the blood as one that is unworthy of our notice—as one of those side issues that the copperheads and the man-sellers have raised to obscure the merits of the issue before the people.

When, after both Teddy and Cuffee are civilized, they want to marry white women, and the white women are willing, we should like to see the law that would prevent them. But the truth is, that with civilization will come that dislike to mixture of blood which white and black alike maintain. They are barbarians like the old nigger drivers of the South or the Democracy of the Five Points, who commingle the two streams, white and black.

The Chicago *Tribune* of Saturday contains a communication with reference to the above, from an Irish Presbyterian, who says:

Such articles as that which appeared in the *Post* will do more to convert honest Republicans and to place them in the ranks of the Democracy than all the speeches that could be delivered. I, for one, intended to support the Republican ticket at the coming election. As an Irishman, I cannot allow my countrymen to be slandered and hold myself aloof. Henceforth I shall be found in the Conservative ranks, an advocate of toleration, which my religion teaches, and a supporter of Irish manhood abroad, and of Irish right to national independence on the Irish soil. HENRY G. MCCULLOUGH.

THE REASON WHY.

In Senator Doolittle's Valparaiso (Indiana) speech we find the following:

"Three years ago this fall, when General Grant was in Wisconsin, he held the same views which I now hold on this question, and authorized me to state to the people of Wisconsin and to the Convention assembled at Madison, that if Congress should insist on negro suffrage as the basis of reconstruction at the South, we should be obliged to keep a standing army there in order to to prevent a war of races."

"General Grant, in the report which he made in December, 1865, said the condition of the South was so good, so quiet—so fine a feeling prevailing among the people of the South—that the army, with very few exceptions, can be withdrawn. But Congress insists upon this new Radical policy of forcing negro suffrage down the throats of the white people, and therefore the necessity of keeping the army at the South, and keeping the Freedmen's Bureau there to manipulate the negroes and organize them as a Radical party."

General Frank P. Blair, in his speech at Leavenworth, Kansas, explains the reason of this remarkable change of front on the part of General Grant. It is not because he has been converted to the negro-suffrage doctrine; it is not because he hates or has any particular antipathy to the people of the South. But he sees that the Radical policy is calculated to enhance the importance of military men and make their voice omnipotent in the administration of the government. He recognizes the fact that they are making steps in the path which leads to a military despotism. Hence Grant, Sherman, Sheridan, and other ambitious military leaders, give to that party the weights of their means, their power and influence. It is well for the people to understand this, and to bear in mind constantly that in all ages of the world it has been the perfidy of military leaders which has crushed out liberty in republics.

LET US HAVE PEACE!

Yes—in behalf of the working millions who pay taxes we too say, let us have peace. And give us the country all our own—the Union with each and every State at peace, at rest and represented in national council by honest men and statesmen—with the glorious constitution of our fathers again protecting under its ample folds, the common children of a common land.

But Radical peace and our peace are not of the same parents. Their peace means bayonets rather than ballots. Negroes rather than white men; lust and brutality rather than virtue and intelligence to rule. Their peace means the subjugation, impoverishment and slow murder of as brave a people as ever the sun shone on. It means the entire destruction of ten States; the reducing of them to Territories, the wiping out of men, families and sacred memories, the inauguration of a conflict of races that a pretence may arise for the placing of the South again entirely under military rule, that more robbers may be enriched, and more fat contracts be awarded to "loyal" scoundrels of America who find shef and shelter under the infamous cloak of Radicalism.

Their peace means peace for those who carry the sword—peace for those who are exempt from taxation—peace for the gold covered bondholders—peace for the renegade Democrats, the theives, cowards, assignation housekeepers, spoon stealers, cotton finding, law hating delegation of villians now at the head of the Republican party.

Our peace is different.

We want peace for the sake of peace, and the good of America. We want peace for the bleeding States which are ours by the memories of the past and the hopes of the future. We want peace for those who fought bravely, who were overwhelmed in the unequal conflict—who are sons of our sires—who are great in intellect, worth, ability and enterprise, and who are able to govern their own States better and cheaper, and more to the benfiet of the country, than a centralized power, or nameless, homeless renegades and adventurers can do.

We want peace and protection for the negroes who are now with the poor white men everywhere the slaves of the bondholders, and who toil and pay taxes to keep in idle extravagance a purse-proud class who are no benefit to America. We want peace for the soldiers who fought and restored the Union, that they may enjoy the fruits of their victory, and not be again dragged from their homes to enrich army speculators.

We want peace for the noble women of the South—for the sorrowing and desolated ones of a thousand cities desolated by war—we want peace for their children and our children, that they may grow to a man's estate friends and workers together for their common good, and for the greatness of a common country.

We want peace for the plow-holders, the mechanics, the working-men, the young men, the real worth, virtue, intelligence, and patriotism of the country, and with it want equal protection before the law and tax-gatherer—exemption from the support of an aristocracy created by Republicans, in antagonism to the welfare, peace and prosperity of the country.

We want peace—we demand it. A broad open honorable peace. We want protection for *our friends* the producers and workingmen. We wish it by the ballot, but if it cannot be thus won—if our rights are to be denied us your aristocratic government shall lose its power, for it will not have the *consent* of the governed, and by force of the bayonet in the hands of those who cry for bread, we will wipe out your aristocracy, and win a peace and an exemption from unjust taxation in one way if not in another.

This is America. A majority of the white people who have homes here shall rule. You will not take Indians. You shall not govern us with negroes.

We want peace.
We want white supremacy.
We want equal taxation.
We want a majority to govern.
We want protection for industry.

We want the axe, the hoe, the plow, the pick, the shovel, the hammer, the trowel, the stone chisel, the implements of industry, to have the same protection you give the bonds of the aristocrat, who produces nothing!

THE TAX-PAYERS' REVOLUTION.

All over the length and breadth of this broad land we see and hear of changes—changes from bad to good, from Radicalism to Democracy.

Every where the tax-payers, the people, are leaving the ranks of the destructive party, are withdrawing from under the black flag of the Jacobin pirates, and marshaling themselves under the protecting folds of the Democratic standard.

Everywhere you go, and the more you travel the more you see, you will become convinced of this most important fact. The people do not talk so much Radicalism now as they did; they do not talk so much about "rebel" and "traitor," and use such shallow *arguments* in an effort to controvert the straightforward charges made by the Democracy, of corruption, fraud, and villainy, in the Radical administration of affairs.

The people have become disgusted with these weak, senseless tirades, and have left them solely to the leaders of Jacobinism—the petty editors and orators of the party.

Taxes—
Bonds—
Tariffs—
Negro Bureau—
Standing Armies—
Radical Thieves—
Radical injustice and dishonesty generally!

These are the questions that now engage the attention of the people of the United States, and from East to West, from North to South, throughout the length and breadth of this land, upon the hill-tops and deep into the valleys, go everywhere, and you will find that the tax-payers unanimously

Demand a change!

Heretofore it has been their custom to attend closely to the business of the shop or the farm, resting securely and prosperously under the good and economical administration of the Democracy. With the advent of Radicalism they suspected nothing wrong, but they now see much that is not right. They have opened their eyes to much, within the past year or two, and they have discovered Radicalism in all its corruption and rascality,

They have discovered that while they were busy in the field with the plow, Radical officials were engaged in stealing the money they had paid into the treasury in the shape of taxes and tariffs.

They have discovered that while they were working from twelve to eighteen hours each day in order to meet the demands of the relentless tax-gatherer, the Radical Rump Congress was industriously engaged in concocting schemes to increase the burdens of taxation and put on more taxgatherers.

"The multitude in all countries are patient to a certain point." The patience of the American people has been severely tried, but it can endure no more of the rule of Radicalism—no more of taxing the poor for the support of the rich; no more of taxation to support three millions of hardy, idle negroes; no more of taxation to keep a useless and expensive army in time of peace; no more of taxation to support in office the Radical pirates who have destroyed governments and constitutions made by JEFFERSON, and WASHINGTON and their compatriots of that revolution, which bought, through fire and sword, or freedom from tyranny, our national existence; no more of taxation to fill the pockets of Radical thieves who hang about the peoples' treasury; no more of taxation, that Radical Congressmen may have money to vote away in worthless appropriations. Of these things the people are wearying.

Against these things they rebel!

Radicalism has taxed, and bled, and burdened them, until they will no longer stand it, hence we find them taking their places beside the yeoman Democracy of the land, and demanding for themselves and their posterity;

Equal Taxation.
One currency for all.
Sovereignty of the States.
Economy in public affairs.
Union, and Peace, and Republican Government forever.

These are the live issues of the pending canvass. Upon these issues are the people arrayed in solid opposition to the Radical thieves and shoddyites at Washington, and in opposition to the bondholder and aristocrat, the enemy of the laboring men everywhere.

This is the tax-payers' Revolution!

Let Radicalism beware!

REDUCTION OF EXPENSES.—The Radical press tells the people that Congress has greatly ruduced the expenses of the government. But they give no facts.

Now this is true—the expenses of government for the month of July were $46,549,000
And for August, 37,730,000

$84,279,000

Eighty-four millions two hundred and seventy-nine thousand dollars in two months—equal to $505,674,000 per year. We cannot see where the reductson is. None but Radical eyes can see it. And all this immense sum to support Radical extravagance must be paid in taxes by the labor of the country.

THE unceasing clamor of the Radicals about the war, long after it is over, and when all people want peace, reminds us forcibly of the old ladies who are frequently seen going along the streets, with their umbrellas hoisted, long after the rain is over.

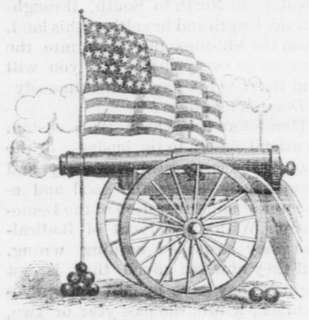
GRAND MASS CONVENTION!



SEYMOUR, BLAIR AND LIBERTY!

A Grand Mass Convention of the people of Bedford county will be held

IN BEDFORD,

On THURSDAY, OCTOBER 8th, 1868, at 1 o'clock, P. M.

All who are opposed to Negro Suffrage and Negro Equality, to a large Standing Army and a Military Despotism, to the reckless extravagance, profligacy and usurpations of the present Congress, are invited to attend.

COME ONE, COME ALL!

Come all who are in favor of the Union as our fathers made it: come all who are in favor of economy and reduction of taxation; come all who are in favor of one currency for the bond-holder and the plow-holder alike; come all who are in favor of peace, prosperity and a restored Union.

☞ Arrangements will be made to feed those who cannot pay for their dinners.

Rally! Rally!! Rally!!!

Democrats and Conservatives, turn out in your strength and strike terror into the ranks of your enemies.

GOV. THOMAS SWANN,
of Maryland, and
GEN. RICHARD COULTER,

have promised to address the meeting. Other eloquent speakers have been invited and some of them will be present and address the meeting.

☞ The Democratic Brass Band will be in attendance.

J. W. DICKERSON,
Ch. Dem. Com.

R. W. BERKSTRESSER,
Sec'y.

VOTE FOR A CHANGE! You can't make matters any worse.

THE Democrats propose to issue 350 millions of greenbacks when they get into power. If you want money made plenty and times easy, vote for Seymour and Blair.

THE importance of this election rises above mere personal considerations. He is a coward and a traitor to his own principles, who permits such considerations to influence his vote.

THERE is no use talking! The man who votes for the Radical candidate for Congress, in this crisis, *is no Democrat*, and cannot be trusted or countenanced by Democrats in the future. The party can do better without such men.

ELECT SEYMOUR to carry out the promises of the Constitution and vote for John Cessna to help Spoony Butler and Surratt Bingham tie Seymour's hands! A Democrat who would act so inconsistently ought to have a leather medal.

CALIHAN, the negro who showed his skill in mutilating a white man with a razor, was pardoned out of penitentiary through the active intercession of John Cessna. Cessna is evidently of opinion that Northern negroes should be armed with razors as well as their Southern brethren.

REMEMBER THAT SATURDAY, OCTOBER 3, IS THE LAST DAY UPON WHICH YOU CAN BE ASSESSED.

IMPEACHMENT, the gagging of the Supreme Court, the keeping up of the Freedmen's Bureau, the erection of a Military Despotism, the keeping up of an immense Standing Army, Negro Suffrage, Negro office-holding, all these enormities you sustain by voting for John Cessna.

THE "STATE OF SOUTHAMPTON."

To this glorious old Democratic stronghold, the eyes of the Democracy of the whole State are turned. Southampton ranks with the Codorus of York county and the "burnt districts" of "old Berks." She is known to the Democrats of the Commonwealth, as the "State of Southampton." Democrats of this glorious township, give us a full turn-out on the 13th inst. Let us see, let your friends throughout the State see, what Southampton can do when she tries.

UNION TOWNSHIP.

Last year the Democrats of Union township, were awarded "the banner." A handsome flag has been obtained and will be presented to the Democracy of Union, at Lewisville, on Saturday next, Oct. 3. Our friends in Union must work hard, if they would continue to be the banner township. Other districts are striving for the distinction. Which shall be the banner district this year?

"LITTLE BERKS."

Cumberland Valley township, known and honored by Democrats everywhere, is rallying to her old standpoint, and in the present struggle for liberty and re-union, will resume her old position as "Little Berks." The gallant Democracy of Cumberland Valley are awake and active and will make a good report on the 13th of October.

JUNIATA AND NAPIER.

Good news from the upper end! Juniata, noble Juniata, Napier, good old mother Napier, and Schellsburg, gallant little Schellsburg, are aroused for Seymour, Blair and Liberty. Londonderry and Harrison, too, are in good earnest, and will let the Rads. hear from them.

COLERAIN AND SNAKE SPRING.

Here the Democratic fires burn brightly. The people of these reliable Democratic townships are determined to do their duty on the second Tuesday of October. Democrats of Friend's Cove and Snake Spring Valley, give us a return worthy of the glory you earned in 1861.

SAXTON AND LIBERTY.

Here, also, the Democrats are working with zeal and energy. They never lag in the good fight. Their activity promises to give us a good poll. Mr. Durborrow made a speech in Saxton, the other night, advocating Negro Suffrage in Pennsylvania, as well as elsewhere, and that speech ought to double the Democratic vote in these two districts.

ST. CLAIR.

Brave, untiring, noble old St. Clair! All right, you may bet, within her borders! Her people are noted for their steady conservatism and their strong love for the Constitution. The heroic spirit of Arthur St. Clair seems to animate them and nerve them in the struggle for the right.

THE RADICAL TOWNSHIPS.

The Democrats of the districts in this county that usually go Radical, are a Spartan band, worthy of all praise. Stand up to them, boys! Don't give an inch! See that your friends are not disfranchised! You are fighting a good fight. You are struggling to free your country from the tyranny of the infernal miscreants now in power in Congress. You are the advance guard of the Democratic forces. Don't stop with mere skirmishing. *Charge home!*

COME DOWN, JOHNNY!

John Cessna declared in his speech in front of the Court House, on Tuesday night of Court week, that if Maine did not give 20,000 Rad. majority, he would withdraw as a candidate for Congress. Maine gives only a little over 18,000. Now, Johnny, live up to your promise!

SOLDIERS, VETERANS.

Turn out to the Mass Convention to be held in Bedford, on Thursday, Oct. 8th, and hear GEN. RICHARD COULTER, "the man who was shot to pieces," one of the bravest of your former leaders. White Boys in Blue, turn out and welcome "Fighting Dick!"

VOTE FOR A CHANGE! You can't make matters any worse.

LOOK OUT FOR COUNTERFEIT TICKETS!

John Cessna is circulating spurious tickets throughout this county. Cessna is trying to run on the Democratic ticket. He wants to ride two horses at once. This is his old game. Look out for these tickets and see that Cessna's name is not on any ticket voted by a Democrat.

THE *Inquirer* says that the Democrats in Congress voted to pay the bonds in gold. This is one of the *Inquirer's* falsehoods. But suppose they did. The "Republicans" voted to pay them in *greenbacks* and now want to go back on the law they made themselves.—The Democrats only want to hold them to their own law.

"EQUAL TAXATION".

Lutz still opposes *Equal Taxation*. Doesn't he know that he is opposing the Radical Chicago Platform? The fourth section of that platform reads as follows:

"It is due to the labor of the nation that TAXATION SHOULD BE EQUALIZED and reduced as rapidly as the national faith will permit."

Lutz printed this in the *Inquirer* of May 29, 1868. Has he forgotten this already? Of course not. Now, will he inform us what this plank in Grant's platform means? Does it mean that the poor man's pig shall be taxed and the boudholder's thousands go scot-free? Answer, Lutz! None of your skulking!

THE MASS CONVENTION.

Democrats, people of Bedford county! Turn out to the Mass Convention to be held in Bedford, on Tuesday, Oct. 8. Let us have one grand rally for the right. Come with flags and banners, come in delegations, come in solid column! Distinguished speakers will address the people, among them GOV. SWANN, of Maryland, who, until a short time ago, has been a life-long opponent of the Democratic party. Come and hear this eminent man, and other able speakers.

P. S. We have just learned, by telegraph, that GEN. RICHARD COULTER, "Fighting Dick," will address the Convention.

OUR CONGRESSIONAL DISTRICT.

The Bloody Run *Press* hath made a calculation. It elects Cessna by a thousand or two. Its figures are not a bit more reliable than the following:

	Kimmell	Cessna
Adams,	500	——
Bedford,	500	——
Franklin,	200	——
Fulton,	450	——
Somerset,	——	1,000
	1650	
	1000	
Kimmell's maj.	650	

We can afford to knock off 600 from these figures and still elect Kimmell by a handsome majority.

VOTE FOR A CHANGE! You can't make matters any worse.

FIGHTING DICK COULTER!

GEN. RICHARD COULTER, of Westmoreland county, a life long Whig and "Republican", has come out for Seymour and Blair. He is now stumping Pennsylvania. He was known in the army as "Fighting Dick." The true soldiers are for Seymour, the Statesman, and Blair, the Statesman Soldier.

"$5,000,000,000!"

The Bedford *Inquirer* says that it cost $5,000,000,000 to put down the rebellion. Very well. Who *put up* the rebellion? Why, Abolition agitation, Abolition Sharpe's rifles in Bleeding Kansas, nullification of the Fugitive Slave Law in the North, and John Brown's pikes at Harper's Ferry. John Cessna said so many a time.

A RADICAL MURDER.

The other night, as a party of Democrats were returning from a meeting at Waynesboro', Franklin county, they were met by a party of Radicals, one of whom fired the contents of his pistol among the Democrats, killing a young man by the name of Leckrone. The murderer is now in jail, awaiting his trial. Such is Radicalism!

$202,000!

The Radical Legislature has increased the interest on the State Debt from 4½ and 5 per cent., to 6 per cent., and thus increased the total of the interest to the amount of $202,000 per annum. Vote against Weller and Longenecker and rebuke this wantonness in expenditure of the public funds.

EQUALITY.

The Democrats intend to tax the bonds and thus make taxation *equal*. The Rads. now tax every body but the bond-holders, and thus make taxation *unequal*. Which plan do you like best?

LOOK OUT FOR COLONIZATION.

We understand that men are being shipped into this county by John Cessna and his friends to vote at the coming election. Look out for the men who are engaged in this nefarious business.

GENERAL ENT.

Soldiers, remember the brave General Ent, when you go to the polls.—He is the Democratic candidate for Surveyor General. He commanded in the Pennsylvania Reserves during the war, and is beloved by every soldier who ever knew him.

SERGEANT WILSON.

Soldiers, remember Sergeant Abraham Wilson, who is running for member of the Legislature. He was a member of the 54th Pa. Vols., and served gallantly during the war.

IF John Cessna go to Congress he will introduce a bill to arm his negro brethren of the South with razors, instead of Springfield muskets.

Turn out to the Mass Convention on Thursday the 8th.

A BLACKGUARD SQUELCHED.

A dirty nose rag in McConnellsburg, which, doubtless, represents the gentility of Radicalism in Fulton county, dares us to verify, by affidavits, what we printed in the GAZETTE, some time ago in regard to Tom Marshall's speech. If you can knock the breath out of a black-guard without defiling your hands, do it. We perform such a job, in placing the following affidavit before the people of Fulton county:

Bedford county, ss.

Personally appeared before me a justice of the Peace in and for said county, Josiah Haley, and W. M. Defibaugh, who being duly sworn, do depose and say that on Saturday evening, Aug. 8th, 1868, they were present at a meeting of the Grant and Colfax Club of Bedford borough, in the Court House in Bedford and that they then and there heard Thomas M. Marshall, of Pittsburg, make a speech, in which, in reply to a question in the *Bedford Gazette*, the said Marshall declared that he was in favor of Negro Suffrage in Pennsylvania, that he believed his party was divided on the subject, but that he was in favor of it and he did not care who knew it, and that he would come into this Congressional district and help elect John Cessna on this issue; and they further depose and say they saw John Cessna present at that meeting when Marshall made those utterances, and that he (Cessna) did not attempt to repudiate those sentiments, but quietly acquiesced in them.

JOSIAH HALEY,
WM. M. DEFIBAUGH.

Sworn and subscribed before me, this 28th day of September, A. D. 1868.

H. NICODEMUS, J. P.

I hereby certify that I am well acquainted with the above affiants and know them to be men of good character and unquestionable veracity.

H. NICODEMUS, J. P.

Now, let the people of Fulton county and of this Congressional district, make up their minds as to John Cessna's position on the question of Negro Suffrage in Pennsylvania.

"SHINNY ON YOUR OWN SIDE!"

John Cessna electioneered, the other day, with a relative of his, a Democat, in this wise: John asked his kinsman to vote for him. "How can I do that, John?" was the question in reply. "If I do, I vote to tie Seymour's hands, and I am a Seymour man." "Oh! that's all right," replied John. "If Seymour is elected and I am elected, I will be the greatest Democrat among you and will support all his measures!" We have this upon the best authority, *and can prove it if called upon.* We advise the Radicals to keep a look out for Johnny. Let him "shinny on his own side." We can't allow him to come back in so unceremonious a manner.

WAGONS! WAGONS! WAGONS!

Let a Democrat in each sub-school district, make a list of those who cannot walk to the polls, and then see that vehicles are provided to take them. Mind, *every Democratic vote* must be polled *at the October election.* Leave not a single man behind. From the Blair county line to Maryland, from Fulton to Somerset, see to it that we make a *clean sweep.* A full turn out is a Democratic victory.

THE negroes of the South have a decided penchant for disemboweling their enemies with razors. Calihan who developed the same cruel propensities on an inoffensive white man in Bedford a year or two ago, was a protige of John Cessna, who had him turned loose to try his hand again.

Attend the Mass Convention on Thursday the 8th.

600 MILLIONS of Government Bonds are held in Europe. Shall all the gold be shipped from this country to pay off these bonds, as Grant's party proposes to do, or shall they be paid off in *greenbacks*, as Seymour proposes to do? The law says they *can* be paid in greenbacks.

EVERYBODY knows that our State Legislature is rotten. Vote for a change, and send McGovern and Wilson to the House instead of Weller and Longenecker. Clean the Argean stables!

The Radical Congress stinks in the nostrils of the people. It has outraged every instinct of decency in the breast of an American citizen. Who will endorse it and vote for John Cessna?

LAST year the Democrats carried this Congressional district, by just 15 majority. Where are the 7½ Democrats who can have the heart to wipe out this majority? The ½ may be found, but the seven *whole* ones never.

VOTE FOR MCGOVERN and WILSON, and make a change in our legislation at Harrisburg. Last year $10,000 were deliberately filched from the State Treasury, by special committees of the Legislature.

VOTE AGAINST WELLER and LONGENECKER, for the Legislature. They belong to the same class of legislators, who, last winter, paid the Sergeant-at-Arms of the House, mileage for traveling *three times around the globe!*

VOTE FOR KIMMELL and the taxation of Government Bonds, as other property is taxed, and make the wealthy nabobs pay their share of the taxes.

Turn out to the Mass Convention on Thursday the 8th.

MAINE, MAINE, MAINE!

Did you hear the news from Maine? Ten thousand Democratic gain over the vote at the last Congressional election! The news getting better as the official returns come in! Rad. majority only a little over 18,000, *against nearly* 28,000 *in* 1866. The following is the latest:

BANGOR, Me., September 21.

Returns from all but twenty-two small towns and plantations give Chamberlin 75,231, Pillsbury 55,775. The remaining towns gave last year Chamberlain 336, Pillsbury 877. Aroostook gives a Democratic gain of 600, and elects the whole county ticket. The complete vote of the State will not vary but a trifle from the following:

Chamberlain	75,831
Pillsbury	57,245
Chamberlain's majority	18,586

Now, John Cessna must withdraw from the Congressional race! He said in his speech in front of the Court House, that if Maine did not give 20,000 Radical majority he would withdraw. Here is a picture of John, drawn by our own artist, which represents him as blowing his own bellows from the Court House steps.

Since the last returns from Maine, the point of the bellows is not elevated quite so much, but is subjected to considerable *picking*.

THE FORTY-SECOND ANNIVERSARY OF THE AMERICAN SUNDAY SCHOOL UNION, IN THE ACADEMY OF MUSIC.—The festivities were presided over by Chief Justic Chase, who made an admirable speech. The Academy was crowded with a most appreciative audience, and a chorus of six hundred children sang with inspiring effect; with their clear, fresh voices, supported by a superb reed Organ, which was so unusually fine that it deserves especial notice. We have never heard such a beautiful musical effect from so comparatively a small instrument. We learn from the programme that it was one of the celebrated AMERICAN ORGANS, manufactured by S. D. & H. W. Smith, of Boston, and can appreciate the high praise which every one accords them, as they are among the very finest in America. Smith's Organs have a purity and volume of tone really astonishing for their size. One of our first musicians said to us, "the American Organs of Messrs. Smith are the most perfect and beautiful I have ever seen." We agree with him, and having examined the instruments carefully, must give them unreserved praise.—*Philadelphia Item.*

SEYMOUR AND BLAIR CAMPAIGN MEETING.—*The largest club meeting of the Campaign.*—On last Saturday evening, the Bedford Seymour and Blair Campaign Club, held a meeting in the Court room. The attendance was large, every seat in the room being occupied. The first speaker was William Hartley, Esq., who for an hour and a half ventilated the ruinous policy of the Radical party, and showed beyond contradiction that there never could come peace and prosperity to the country so long as the people permitted them to remain in power. Mr. Hartley is not a politician, and only consented to address his fellow citizens on this occasion, because in an emergency like this, where the result is fraught with so much good or evil to the country, every man's voice should be heard for the truth and right. He was followed by Thomas H. Murray, Esq., of Pierceton, Ind., who assured the people of Pennsylvania that his state would elect that pure statesman, Hendricks, Governor by at least 25,000 majority, and if the people here would do but half so well, Seymour would have an easy thing of his election. B. F. Meyers, in a short speech closed the meeting. The club adjourned with three rousing cheers for Seymour, Blair and the whole ticket. The Democratic Band was present and discoursed its sweetest music.

DEMOCRATIC MEETINGS.—*The Democracy aroused.* The Democrats of the lower end of Colerain township held a meeting in Bowser's school house, on last Wednesday evening, which was largely attended. The following officers were chosen: President, Joshua Diehl; V. Pres'ts, Jonathan Bowser, W. S. Beegle, V. W. Price and David Defibaugh; Secretaries, David F. Diehl, Lewis Triplett and Frederick Beegle. The meeting was addressed by E. F. Kerr and B. F. Meyers. Colerain is awake and will give a good account of herself at the polls.

St. Clair.—The Democracy of St. Clair held a council at Pleasantville on Thursday evening last. John W. Crisman presided, assisted by Sam'l M. Sleek, Thos. B. Wisegarver, Samuel Beckley, D. W. Crisman and Isaac Bowen. Secretaries, W. M. Hancock, Amos Harbaugh and W. Robison. Speeches were made by J. P. Reed and B. F. Meyers. The watch-fires of St. Clair are burning brightly.

Liberty.—Saxton and Liberty had a meeting at Stonerstown which was well attended. John A. White, Esq., was elected President, with S. S. Fluck, L. Eastright and C. S. Faxon, Esqs., as Vice Presidents. Amos Evans and J. Hoover, Secretaries. The meeting was addressed by J. W. Dickerson, W. P. Schell and E. F. Kerr. The Democrats of that enterprising part of our county are awake.

Broad Top.—The Democracy of Broad Top and Coaldale held a good meeting in Coaldale on last Thursday evening. M. A. Hunter, our candidate for Auditor, presided. V. Presidents, D. Rowland, Jacob Barnet, Philip Wise and J. C. Figard. Secretaries, A. H. Anderson and Samuel O'Neal. Speeches were made by W. C. Schaffer and John G. Fisher.

THAT SKUNK.—The local of the *Inquirer* has illustrated his columns. Last week he produced a striking likeness of his skunk. And such a bird! Such a picture! It looks like the lingering remains of an ill-spent life. There is a reward, by recent legislation, for killing skunks. Cut off the ears and get your premium, but we insist, for the community's sake, on caging that filthy looking animal, and exporting it beyond the limits of the borough. It can't be permitted to steal chickens in this neighborhood.

EVIDENCE WANTED.—We have verified our statement about Tom Marshall's speech, and we hope the pusilanimous "cuss" who edits the Fulton *Republican* is satisfied. Now, as soon as he produces the sworn testimony of two *respectable* witnesses in Fulton county, that he is a *gentleman*, we will believe it, not sooner.

DEAD DUCKS.—A Radical in making a speech recently in Broad Top, said that one of the important issues in this political contest was the payment of the Alabama claims! This he uttered with so much vehemence, that some of his English friends feared a war with their mother country was inevitable! Poor Rads! they are afraid as death of the living issues of the day, and talk about evrything else. We heard of several who were discussing the rise and fall of Noah's flood!

OLD FOLKS' CONCERT.—One hundred ladies and gentlemen (in costume), members of the Bedford Normal School, will give an Old Folks' Concert, in the Court House, on Friday evening, Oct. 2d, at 7½ o'clock. The programme offers a rare treat to our citizens of choruses, songs, solos, &c. Admission 50 cents, or three tickets for $1.00, to be had at the Drug and Book Stores.

PERSONAL.—Thomas H. Murray, Esq., formerly of this county, now of Pierceton, Ind., paid us a visit last week. Tom is a gentleman and a Democrat, qualities which are bound to be respected everywhere. He represents the Democracy of the West as eager for the fray and sure to win.

When the PLANTATION BITTERS were first made known to the American people some seven years ago, it was supposed that they were an entirely new thing, and had never before been used. So far as their general use in the United States is concerned, this may be true; it is also true that the same Bitters were made and sold in the Island of St. Thomas, over forty years ago, as any old planter, merchant or sea captain doing business with the *West Indies* will tell you. It is distinctly within my recollection that on the return of my father (who was a sea captain, and doing an extensive trade in the tropics,) he would invariably have the Bitters among the ship's stores, and our family sideboard was never without them. For any sickness, it matters not how severe or trifling, the decanter of these Bitters, by a different name, was always resorted to as a sovereign remedy.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price.

BEAUTIFUL and uniform of excellence, a well-known, safe and speedy agent for restoring gray hair to its original color, for preventing the loss of the hair, for promoting its healthy growth and increasing its beauty, a gradual but certain cure for baldness, and an essential toilet requisite for all who prize that choicest gift of nature, a bountiful supply of hair: the above is said by all who use Mrs. S. A. Allen's Improved (*new style*) Hair Restorer or Dressing, (*in one bottle.*) Every Druggist sells it. Price One Dollar.

NOTICE.—All persons knowing themselves indebted to A. L. Defibaugh, either by note or book acounts, will please call and settle immediately, as we need the money and wish to close the books. oct2w2

ST. LOUIS and IRON MOUNTAIN RAILROAD COMPANY'S Seven per cent. first Mortgage Bonds. February and August Coupons. The earnings of the completed road to Pilot Knob are now more than the interest on the entire mortgage. The proceeds of these bonds are adding to the security every day. Over $8,000,000 have been spent on the property, and not over $2,000,000 of bonds issued thus far. The constantly increasing traffic of carrying ore, with the prospect of controling all the travel from St. Louis to the Southern States, insures an enormous revenue. The Directors own 8-10 of the stock for investment, and are interested to enrich the property as well as to economize its expenses.

THOS. ALLEN, President, St. Louis, Mo.

We, the undersigned, cordially recommend these seven per cent. mortgage bonds, of the St. Louis and Iron Mountain Railroad, as a good security. The revenue of the road will be large, and the administration of the affairs of the Company is in capable and experienced hands, and is entitled to the greatest confidence of the public.

Parties living out of the city can remit by draft or express, and the bonds will be returned by express free of charges. MANHOOD: HOW LOST, HOW RESTORED. Just published, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriages, etc.; also, CONSUMPTION, EPILEPSY and FITS, induced by self-indulgence or sexual extravagance.

☞ Price in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

☞ This Lecture should be in the hands of every youth and every man in the land

AYER'S
HAIR VIGOR,
FOR THE RENOVATION OF THE HAIR.
THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,
For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or GREEN SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
